Assignment 2

If you have any questions, come to Office Hours on Wednesday from 7-9pm at the Link *or* post on Lore and we'll answer them there.

Required Readings

- Mozilla's Getting Started With CSS (All Bullets)
- How Browsers Work - Layout
- How Browsers Work - CSS 2 Visual Model
- How Browsers Work - Positioning
- Box Sizing
- Web Platform Documentation
- Chrome Developer Tools

Part 1

Please complete this quiz and take a screen shot of your score. Yes, it is okay to repeat the quiz.

Bonus: submit an additional picture were you score 13/12 questions correctly. Don't use any photo editing software. (Hint: Chrome developer tools)

Part 2

Download assigment-2-q2, unzip and open index.html in chrome. Complete the quiz and copy the score code you receive at the end into a text file.

Submission

Please zip up the picture(s) from the css quiz, a txt file with your score-code from part 2, and all required files for your updated portfolio and submit them on Lore for Assignment #2.
